

Juan Leonardo López Raygoza

"LEO"

Hobbies

I am a big lover of visual art,
be it in movies, TV series
images / drawings or appreciating landscapes.
I really like playing video
games and finding out how certain mechanics
are achieved in them. I also like to constantly
challenge the limits of my abilities, testing myself.

Skills

storytelling
character design
creative person
social
logical thinking
artist

Education

I come from the chapultepec
Institute, in cuillacan.
I study Digital Animation on
"Universidad Panamericana" and
I plan to do a specialty in Visual Effects.
